

A free public service web site dedicated to identifying bank robbers
in Western Pennsylvania and West Virginia

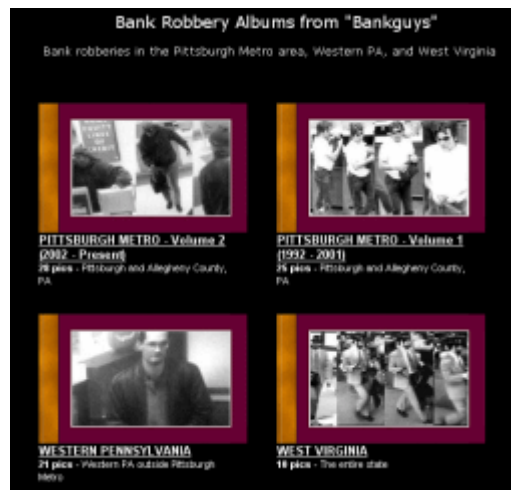

See for yourself at: <http://bankguys.us>

Bankguys home page

"Featured" cases.

Surveillance photos in albums

- Non-commercial. No ads. We don't sell anything or promote anything (except the arrest of bank robbers).
- Free for banks and law enforcement agencies.
- In operation since 1999.
- Proven track record for solving bank robberies.
- Easy email submission of facts and photographs for posting.
- Robberies filed under "m.o." categories.
- Can be searched by categories, archives (month/year), or text (words and phrases).
- Surveillance photos arranged in rogues gallery albums, as well as posted on individual bulletins.
- Effective and easy way to share bank robbery information and photos with investigators in other jurisdictions.
- For release of photos to media, just point the media to the photo on *Bankguys*. They can download the digital image directly from the site. No more delivery of hard copies.
- Sign up for the *Bankguys* email list and receive immediate notification when site is updated.
